

Track & Hardware

Heavy Duty Track & Nylon Rollers

Nylon Rollers with 1" hook smoothly and easily glides the solar shade curtain on the heavy-duty tracking system.

Grommets

Grommets are spaced every 12-inches on top hem of curtains. A Nylon Roller hook is inserted into each Grommet. A Grommet is placed on the bottom hem on each side of curtain.

Zippers

Optional Zippers are for entry and exit area of curtain.

Twist Locks

Twist Locks can be used to attach sides of the Solar Screen Curtains to a wall, column or post.
